## FLUTTER APP DEVELOPER

Sevenwells chennai 600001srpvt21@gmail.coml9344078224

### SUMMARY

Mobile app developer with hands-on experience in Flutter development. Proficient in Dart, Python, Firebase, Django, and GitHub. Demonstrated ability to design and develop dynamic applications, solve problems efficiently, and collaborate across teams. Eager to apply technical skills and creativity to deliver impactful solutions in app development.

### TECHNICAL SKILLS

- Programming Languages: Dart, Python
- Frameworks/Tools: Flutter, Django, Firebase, GitHub
- Mobile App Development: UI/UX Design, State Management, API Integration
- Version Control: Git & GitHub

### PROFESSIONAL EXPERIENCE

#### Mobile App Developer Intern | 8Queens Technology

Nov 2023 – Jan 2024

Developed a feature-rich chat application using Flutter, improving user engagement by 25%. Implemented efficient UI design and backend integration using Firebase. Collaborated in agile development cycles, leading to timely project delivery.

#### ACADEMIC PROJECTS Student Information App

Major Project

Designed and developed a dual mobile application system: a Parent App for staff and a Child App for students.

Parent App: Enabled staff to update attendance, post circulars, and view student complaints.

Child App: Allowed students to track daily attendance, view monthly attendance percentages, and share important notes with juniors.

Achieved a 40% increase in student engagement with timely updates and resource sharing.

Utilized Flutter and Firebase for seamless data handling and a user-friendly interface.

### EDUCATION

#### Bachelor of Science in Computer Science

Thiruthangal Nadar College, Selavayal

Overall Percentage: 80%

Expected Graduation: May 2025

#### Higher Secondary Certificate (HSC)

St. Gabriel's Higher Secondary School, Broadway

Percentage: 72%
